A Note From Ron

I really enjoyed taking my favorite pop songs and performing them for my fans of the past 30 years. Each song has a particular place in my life and I've tried to give them my own personal feel while still respecting the memories that you have of each song. For future albums, I'd like to hear from you as to songs you'd like me to record. Please contact me at www.rondante.com and let me know what you'd like to hear me sing!
